Amazing New World

A set of 4 books

“AMAZING NEW WORLD” has been specially drafted to guide children who are on the threshold of entering the world around them where they will get acquainted with English as the social language of the world. This Series helps the child to study through everyday activities. As the contents are closely related to the world of the child which makes it simple for them to understand. The child is able to identify with the activities that are presented in a playful and interactive manner.
